

2017 SPONSORSHIP OFFER

Get behind our growing game!

Established in 1935, the Fremantle & Districts Darts Association is the oldest and most successful darts association in Western Australia.

We consistently win multiple titles at State Championship events and produce around 90% of our State Men's team.

We've even produced a world top 30 PDC ranked professional player in Kyle Anderson who continues to do us proud.

With some 15 clubs and a combined, growing membership of 300 plus, we would love for you and your business to support our association and help us to continue growing our great game.
